

MPA HAS YOUR BACK!

**Worried about your professional future and the future of psychology?
Want to make sure your voice is heard? MPA represents *you* and is the
only organization in Minnesota protecting your professional interests.**

Examples include...

- ❖ Ethics Committee consultations
- ❖ 1 hour free legal consultation to members and discounted rates thereafter to members
- ❖ A broad professional network
- ❖ Access to information/consultation through listservs
- ❖ Up-to-date news, events and articles about current topics of interest
- ❖ Education about practice changes, health care reform, EHR
- ❖ Facilitating training programs related to requirements from HMOs, licensing boards, and ethical mandates.
- ❖ Programs about how to use degrees in psychology to better serve the public
- ❖ A dedicated lobbyist for issues related to psychology
- ❖ Advocacy with payers
- ❖ Participation in legislative and advocacy work groups
- ❖ Policy makers of Department of Human Services (DHS) are aware of and listen to MPA
- ❖ Federal legislative and regulatory advocacy
- ❖ Communication and liaison with Board of Psychology
- ❖ Information related to how to manage with audits or Board complaints

We got your back!

**We can only provide these protections with your support.
